

**North Carolina Board for Licensing of Geologists  
CONTINUING EDUCATION SELF-ASSESSMENT FORM**

This form is an optional tool for licensees to self-assess the applicability of a learning activity towards the annual continuing education (CE) requirement. It is strongly recommended that licensees complete and maintain a copy of this form for activities that have not received express Board approval.

1. Activity Title: \_\_\_\_\_

2. CE Provider: \_\_\_\_\_

Is the provider pre-approved?  Yes  No

3. Number of hours (to nearest 1/4-hr): \_\_\_\_\_ Date(s): \_\_\_\_\_

4. Is the activity content related to the practice of geology under the Board's CE Guidelines?

Yes  No

5. Did this activity enhance and expand your skills and knowledge to remain current and competent as a practicing professional geologist?

Yes  No

6. Was the activity presented by persons who are well-qualified?

Yes  No

7. Did the presenter or organizer of the activity present and adhere to an outline and/or syllabus? (Retain a copy of the outline/syllabus for your records.)

Yes  No

If you have answered yes to the majority of these questions, you can be reasonably sure this activity is acceptable CE. Self-assessed CE activities will be reviewed by the Board in the event of CE audit.

**NOTES:**

Use this space to add notes that would be useful for your own record-keeping purposes.
