20. Affidavit and Notarization

I understand that I may be required to furnish additional information if requested by the Board.

I hereby certify that I have read the North Carolina Geologists Licensing Act (Chapter 89-E of the N.C. General Statutes), the Rules and Regulations of the North Carolina Board for Licensing of Geologists and the Code of Professional Conduct adopted by the Board. I further certify that the information contained in this application (including attached sheets) is true and correct to the best of my knowledge.

In making this application for a license as a Registered Geologist in the State of North Carolina, I attest that I understand the geology of North Carolina through study of the geology specifically related to North Carolina or through practical experience in North Carolina and I will strive to assure that my practice of the profession will not endanger the health and safety of the citizens of North Carolina. Furthermore, I recognize the importance of understanding the specific geologic setting of projects in North Carolina that I will be working on as a licensed geologist, and I will take the necessary steps to gain this level of understanding.
