

SECTION .0300 - LICENSING OF GEOLOGISTS

21 NCAC 21 .0301 REQUIREMENTS FOR LICENSING

(a) Education. In determining whether an applicant meets the minimum education requirements of the Geologists Licensing Act, the Board shall accept transcripts from colleges and universities that are accredited by a national or regional accrediting organization such as the Southern Association of Colleges and Schools. The Board requires 30 hours of geological study, with 24 hours of upper-level courses in areas including: geology, geophysics, geochemistry, oceanography, paleontology, hydrology, soil science, economic geology and engineering geology.

(b) References. Five letters of reference submitted to the Board which shall satisfy the Board as to the character, reputation, responsibility, integrity and competence of the applicant. These letters of reference must be submitted by licensed or qualified geologists or professional engineers. No member of the Board shall act as a reference for any applicant for licensing. At least two of the five letters of reference must be submitted by licensed or qualified geologists who are familiar with the applicant's work in the field of geology.

(c) Written Examination. Except as provided in Paragraph (e) of this Rule, all applicants shall pass the written examination administered by the Board in conjunction with the Association of State Boards of Geology (A.S.B.O.G.). The applicant shall be notified, not less than 30 days before the examination, as to the time and place of the examination. A person who has failed an examination is allowed to take the examination again at the next regularly scheduled examination period. A person having a record of three failures shall not be allowed to take that examination again until a written appeal is made to the Board and qualifications for examination are reviewed and reaffirmed by the Board. The applicant shall demonstrate to the Board that actions have been taken to improve the applicant's possibility of passing the exam.

(d) Experience. In determining whether an applicant meets the minimum experience requirements of the Geologists Licensing Act, the Board shall consider the total work experience record of the applicant. The Board shall look for the applicant's ability to conduct geological work in a satisfactory manner with little or no supervision.

(e) Certificate by comity. The Board shall grant a license without further examination to a person holding a license to engage in the practice of geology, which license has been issued by another jurisdiction, when the applicant meets the following conditions:

- (1) the applicant has filed an application for license and paid the fee required by Rule .0107 of this Chapter;
- (2) the applicant has provided evidence of education and experience equal to the requirements of Paragraphs (a), (b), and (d) of this Rule as indicated in Rule .0302 of this Section;
- (3) the applicant is in good standing with the agency regulating the practice of geology in any jurisdiction in which the applicant holds a license to practice geology; and
- (4) the applicant has successfully passed a written examination deemed to be equal or equivalent to the examination required by the Board pursuant to G.S. 89E-9 and Paragraph (c) of this Rule.
